

# TRANSPORTATION

*Private vehicle use or active transportation (e.g. biking, walking, etc.) by students is encouraged as much as possible.*

## Bussing

### Students Hygiene

Students will be required to wash hands prior to leaving home, leave school and upon returning home.

### Symptoms of COVID-19

If a driver suspects a student has symptoms of COVID-19 they will remain at the stop and contact TACAN for further details.

## Bus Drivers

### Hygiene

Bus drivers will wash hands and or sanitize prior to entering bus.

### Protective Protective Equipment

Bus drivers will wear masks and visors during loading and unloading of students. All drivers provided with masks, visors, gloves, sanitizer and disinfectant.

## Riding the Bus

- Students will load the bus from back to front and unload from front to back;
- Middle and Secondary students** will be required to wear non-medical masks;
- Students will be required to remain in assigned seats whenever possible;
- One student per seat or two students from the same household;
- Students must wait until student in front is completely up the stairs;
- Touch points will be sanitized between runs and at the end of the day.

*Some students and staff may not be able to tolerate wearing masks.  
It is the expectation that everyone will treat each other with dignity and respect.  
Please check your [school website](#) for more information.*
